PREAMBLE

Section 4 of the Electricity Regulation Act, 2006 (Act No. 4 of 2006) provides for the Regulator to issue licences for trading of electricity. Rules as determined by the Regulator specify that anyone involved in electricity trading activities requires to be licensed by the Regulator.

Applicants wishing to obtain a trading licence are required to provide reasonably detailed technical, economic, and financial information to NERSA together with the licence application form. This information may also be contained in the form of a Feasibility Study Report.
